

As a new cadet, you'll need to register for both the Aerospace Studies Academic Class and Leadership Lab. ASC classes are non-credit bearing and are what cross-town (non-SU) students register for to avoid a fee. If you are an SU or ESF student and want college credit for the AFROTC classes, register for the PAF/PED/HST classes. SU and ESF students register for classes through mySlice, and cadets from cross-town schools follow the directions on the next page.

Class Selection

Freshman cadets joining AFROTC's four-year program must register for Leadership Lab (Friday afternoon) and one section of National Security Organization (Wednesday or Friday morning).

Sophomore or higher cadets joining AFROTC's three-year program must register for Leadership Lab (Friday afternoon), one section of National Security Organization (Wednesday or Friday morning), and one section of Development of Airpower (Wednesday or Friday afternoon).

Cross-town Class Registration Instructions

Find your class numbers from the table on the previous page and go to <http://uc.syr.edu/> following the links to **REGISTER NOW**. Create a new student account and register. An SUID number will be assigned at that time. Note your SUID number and print your class schedule. Then take that information to the ID office to obtain an SU ID card after your AFROTC application has been approved by the detachment staff.

PLEASE NOTE: Registration must be complete by 28th of August in order to avoid a \$50 late fee from SU that is generated automatically by the online registration process. Please let us know if you have any questions at AFDet535@syr.edu or (315) 443-2461.
